BENNI SAMUVEL

My Portofolio

About Me

I am a student majoring in **Computer Science** at St.Johns College, Palayamkottai, Tirunelveli.

My aim is to become a front-end developer, I have enough experience in **JAVA PROGRAMMING,HTML&CSS**, My hobbies are listening music and gardening works, My favorite game is Batmintan, even sometimes I would like to play video games for my relaxation, I will give all my efforts to my works.

Home   About Me   Portofolio   Contact

I have created a date&time countdown webpage, which is use full to calculate the days and time remaining to the particular selected date.
